(Congregation nearest the World's
Fair.)

The excellent response to our request for information to keep the directory up-to-date has resulted in a much improved and enlarged directory in which many corrections and additions have been made. This issue includes information concerning more than two hundred congregations in Europe, in addition to the new listings of Asian churches. Three congregations in the World's Fair area are also included.

Please continue to send information, not only concerning the place where you worship, but also concerning other congregations of which you know in Europe, Asia and Africa. Only in this way, by relying upon information from many sources, can the directory be kept reliable. A new issue is planned before the end of 1965.

It is hoped that this directory will be used by many travelers as an aid in locating places of worship, and it is hoped that none will use it to impose upon the hospitality of the contacts listed herein, whether those contacts be citizens of the country, American Servicemen, or missionary families. If you wish to spend an hour or two visiting with these brethren, it would be considerate of you to invite them to have dinner with you at some nice restaurant in the city. In this way there can be a most pleasant visit without anyone's being burdened. Many are already doing this when they travel. Why not you, too, this year?

Write to us for information concerning Bibles and Testaments available in Spanish, French, German, and many other languages.

HISTORY OF THE DIRECTORY

1963 The first two directories were mimeographed. Volume 1, Number 3 was printed: 5,000 copies, cost: \$200.00. Contributions totaled \$151.40.

1964 Volume 2, Number 1 — 7,000 copies printed, cost: \$264.00, not including postage. Contributions totaled \$130.00. (A list of contributors will be sent upon request.)
